

PROVIDING THE HIGHEST QUALITY & MOST RELIABLE FOOD MACHINERY IN THE UK.

AFMG 52-4 AUTO FEED MIXER GRINDER

The bigger brother to the AFMG 52 the AFMG 52-4 has a hopper that can take up to 182kg. The auger is driven by a heavy duty roller chain and tapered roller bearing journal box so even with this machine the Biro mantra of power, durability and low maintenance is as prevalent as ever.
